Message from Mayor Mohamed T. Khairullah

Greetings Prospect Park Residents & Businesses,

Prospect Park is a warm and welcoming community. That is how it was when my family settled in this beautiful community over twenty-seven years ago and it remains as welcoming, and allowed more diverse, now. As the head of the Executive branch of the municipality, I take great pride in making sure that the quality of life that our residents and businesses are accustomed to is maintained, and when possible, enhance.

For that reason, I am happy to announce that this year we will be launching our Public Announcements System. When we do, please make sure you are signed up for it so

you are aware of happenings and future events in town. I also encourage all of you to visit our new website www.prospectpark.net. The user friendly and revamped site offers access to important information and services provided by our community.

The Council members and I are committed to open communication with our residents. Please never hesitate to reach out to any members of the governing body should we be of any help to you. We also believe that volunteerism is the glue that holds our community together. Therefore, I ask that you consider volunteering some of your time to assist with town boards, functions, and sporting activities as a coach or team parent.

As your mayor, I look forward to continue serving our community and I cannot wait to meet you around town. Sharing your thoughts about the community is important for the governing body and I in order for us to make decisions that will benefit the community.

With a sense of purpose, striving for progress and community pride, I welcome you all to a New Year in the Borough of Prospect Park.

Sincerely,

Mayor Mohamed T. Khairullah

Borough of Prospect Park Recreation Department

The Recreation Department strives to improve the quality of life for all the residents of Prospect Park through innovative, exciting, and effective programs and events. The Recreation Department enlists the feedback, support and help of the Recreation Advisory Committee. All residents interested in participating as a member of the committee are encouraged to contact the Recreation Office. Nestled in the northwest corner of the Borough is Hofsta Park, a 70 acre wooded refuge and recreational complex. The park is home to Camp Hofstra Summer Day Camp. Within the park are two baseball fields, a multi-purpose/soccer field, children's swings and playground gym, a pavilion, basketball courts, a tennis court, a walking/bike trail, and the jewel of the property, the Spray Park. The Spray Park is open seasonally on the weekends and is open 7 days a week during the school break in the summer. For further information on any of the facilities, programs and events, please contact:

The Municipal Alliance Committee

Prospect Park Municipal Alliance is a community-based prevention organization made up of committed volunteers created via municipal ordinance and funded in part by The Governor's Council on Alcoholism and Drug Abuse (GCADA). We aim to increase awareness through-out the community by engaging all stakeholders in education, communication, collaboration, and sharing of resources that will enhance understanding of the benefits of making healthy drug free choices.

Meetings are held on the second Thursday of every month at 3:30PM in the Municipal Building Court Room (106 Brown Avenue, Prospect Park, NJ 07508).

MAJOR PROGRAMS INCLUDE:

- Education in the Park
- Junior Police Academy
- Dare and Smart

pet waste **POLLUTES** our waters

What You Can Do To Help Protect Our Water

Clean and plentiful water is important to our families, our environment, our economy and our quality of life. Did you know that animal waste from pets can pollute our waters? When left on the ground, pet waste is washed by rain and melting snow and ice into storm drains that carry it to our rivers, lakes, the ocean and drinking water.

Animal waste contains a high concentration of nutrients as well as bacteria and disease-causing microorganisms that can cause problems.

What YOU can do

Pet Owners or anyone who takes your pet for walks must properly dispose of the waste by picking it up, wrapping it and either placing it in the trash or flushing it unwrapped down the toilet.

Your municipality is required to adopt and enforce local pet-waste laws. At a minimum, your community must require that pet owners or their keepers immediately and properly dispose of their pet's solid waste deposited on any public or private property not owned or possessed by that person. People with assistance animals such as Seeing Eye dogs are exempt.

Make sure you know what your municipality requires - and follow it. Thank you for doing your part to keep New Jersey's waters clean.

solutions to **STORMWATER POLLUTION**

A Guide To Healthier Habits for Cleaner Water

Pollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water. Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

Limit Your Use of Fertilizers & Pesticides

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizer if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it. Make sure you properly store or discard any unused portions.

Properly Use & Dispose of Hazardous Products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives if possible.
- Contact your municipality, county, or facility management office for the locations of hazardous-waste disposal facilities.

solutions to **STORMWATER POLLUTION**

Don't Litter

- Place litter in trash receptables.
- Recycle. Recycle. Recycle.
- Participate in community cleanups.

Keep Pollution Out of Storm Drains

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.
- Do not let sewage or other wastes flow into a stormwater system.

Don't Feed Wildlife

- Do not feed wildlife, such as ducks and geese, in public areas.
- Many municipalities and other public agencies must enact and enforce a rule that prohibits wildlife feeding in these areas.

Dispose of Yard Waste Properly

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

Clean Up After Your Pet

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:

- Use newspaper, bags, or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

PROSPECT PARK RECYCLING DAYS ARE ALTERNATING SATURDAYS. Instead of recycling collection being the first and third Saturday of each month, recycling collection is now every other Saturday.

PROSPECT PARK ADHERES TO SINGLE STREAM RECYCLING. Recyclable materials can be placed unsorted in the same container for pick-up. Cans, bottles and plastics are collected together with paper and cardboard. Recyclable material must be separated from waste (garbage).

For curbside pick-up, the acceptable recyclable materials include:

- **All Mixed Paper** – Newspaper, magazines, flyers, brown bags, telephone books, junk mail, office or computer paper.
- **Cardboard Boxes of all Types** – All brown corrugated cardboard, tissue boxes, paper towel/toilet paper rolls, cereal boxes
- **Metal** – Aluminum cans and steel (tin) cans. All cans must be empty, rinsed and drained clean.
- **Plastic Containers of All Grades #1, #2 or #5** – Water or beverage bottles, milk jugs, laundry detergent bottles.
- **Glass Containers** – Glass containers and jars. Containers must be empty, rinsed, drained clean.

Unacceptable Recyclable Materials Include:

- No plastic bags of any kind
- No wax cardboard
- No shredded paper
- No coolers, electronics, drain pipes or tool boxes
- No frozen food microwave trays
- No pesticide/chemical containers
- No paint containers
- No Styrofoam of any kind
- No household trash
- No food trays or party platters even if stamped with #1, #2 or #5
- No rubber hoses, flower pots, or plastic toys of any kind
- No mirrors, windows, auto or plate glass
- No light bulbs

ELECTRONICS WASTE RECYCLING

On January 1, 2011 the Electronic Waste Management Act went into effect. TVs, computers and monitors are no longer allowed to be thrown in the trash; they must be disposed of properly. The Passaic County Office of Solid Waste & Recycling Programs provides several computer and electronics collection events throughout the year for residents to dispose of their unwanted electronic goods. For more information or to find out the 2018 electronics waste collection dates, please call 973-305-5738.

Acceptable electronic items include: computer systems (monitors, hard drives, etc.), modems, telephones, copiers, printers, fax machines, ink jet and laser jet toner cartridges, video games and systems, stereo systems, televisions, cell phones, DVD players, VCRs, floppy discs, and radios.

Unacceptable electronic items include: refrigerators, freezers, air conditioners, washing machines and dryers.

SCRAP METAL

All scrap metal must be separated from waste and placed at curbside for collection. Scrap metal items, e.g. hardware, hand/motorized tools, garden and lawn equipment, metal file cabinets, etc. are acceptable "AS IS" except small items such as nuts, bolts, small toys, which must be placed in a rigid container, which will be emptied and returned to curbside for reuse. Curbside pick-up dates for 2017 are the 1st and 3rd Wednesday of each month (Please refer to the calendar for accuracy of the date).

WHITE GOODS

White goods appliances, such as stoves, refrigerators, washers, dryers, air conditioners, water heaters and empty propane tanks can be put out for curbside collection on the 1st and 3rd Wednesday of the month. For questions, please call the DPW Supervisor at 973-790-6654 and leave a message. Appliances must be placed at the curb. Remove refrigerator and stove doors.

GRASS

Grass is prohibited for curbside pickup and cannot be mixed with garbage. Save work and save tax dollars – just cut it and leave it or use it in the garden around plant and shrubbery. If you are contemplating the purchase of a new lawnmower, please consider buying a mulching mower. It virtually pulverizes the clippings. For details or to arrange a demonstration, call the Recycling Coordinator.

TIRES

Tires must be disposed of privately.

LEAVES

Must be placed in biodegradable bags**, rigid waterproof containers (barrel), or may be raked into piles at curbside at least 10 feet from storm water basin for collection during the months of November and December. Collection will be on designated NO PARKING (Street Cleaning) days. (Leaves are not to be mixed with tree branches, garbage, or waste of any kind). NO PLASTIC BAGS.

****Biodegradable bags are available for purchase at the Municipal Building for a nominal fee.**

YARD WASTE

Only during the scheduled months of April, May and June, yard waste will be picked up at curbside. Collection will be on designated NO PARKING (Street Cleaning) days. Yard waste includes tree branches and brush, NOT vegetables, plants, grass clippings, leaves or weeds.

USED MOTOR OIL / ANTIFREEZE

Used motor oil from motor vehicles and lawnmowers should be placed in clean plastic containers and delivered to an authorized dealer or center (service stations; which do State DMV Inspection or chain stores that provide lube and oil change service). Watch for household HAZARDOUS WASTE COLLECTION DAY schedule.

USED CLOTHING

Instead of putting used clothing in the trash, please donate discarded clothing to a non-profit organization.

FOR BUSINESS ONLY

Businesses must comply with the same recycling regulations as residents, except that proprietors must arrange for recycling of corrugated, chip board and trade waste at their own expense. All proprietors must obtain weight receipts from the hauler/recycling dealer and forward copies to the Borough Clerk on a quarterly basis or instruct the contracted vendor to do so on their behalf.

CONSTRUCTION BUILDING MATERIALS

BUILDING CONTRACTORS OR "DO-IT-YOURSELF": Recyclable alteration/ Construction Demolition material such as wood, roofing shingles, asphalt, concrete, etc. must be disposed of privately, then delivered to a recycling facility and copy of the weight receipt must be forwarded to the Borough Clerk/ Building Department.

Collection Schedule: paper (mixed), brown corrugated/gray cardboard (chipboard), glass aluminum, tin, and plastic will be picked up on every other Saturday starting at 7:00am. Please place recyclables at the curb the night before collection. Missed Pickups - CALL 973-227-7020 preferably before 1:00pm.

REMINDERS:

On garbage collection days, residents are limited to 3 containers of trash and one bulk item, such as a sofa. **BULK ITEM PICK UP-DAY IS THURSDAYS.** Cleaning of your basement, attic and garage must be disposed of privately. Placement of garbage and recyclables before 4:00PM the day prior to collection is prohibited. Empty containers must be removed from curbside no later than 7:00PM of the day of collection. Do not put garbage in corrugated boxes.

QUESTIONS? CALL THE RECYCLING COORDINATOR AT 973-790-7902 EXT. 524. ON MONDAYS, WEDNESDAYS, AND THURSDAYS 8:30 AM-4:30 PM, TUESDAYS 8:30 AM - 8:30 PM, FRIDAYS 8:30AM - 12:30 PM

My Waste® is a free app for smartphones and tablets that allows residents to receive alerts for garbage and recycling pick-ups, quickly get information on what to do with uncommon items, report problems, and much more. Download the app in the app store for Apple® or Android® devices if you want information at your fingertips to help you remember Prospect Park's collection days or know the correct way to discard out-of-the-ordinary objects such as an unwanted refrigerator, lawn mower, or bulk item.
